# STONEARTS KENYA

From grand residential lawns to large commercial exteriors, from kitchen countertops to extensive outdoor landscapes, palings, fountains, wall claddings, and indoor fireplaces. Stone Arts has successfully completed over 2,000 individual projects across the African continent in its 20+ years of operation.

Today, we are recognized as a trusted name for comprehensive natural stone solutions in both interior and exterior architecture and landscaping. Our expertise covers flooring, cladding, paving, building facades, and various architectural elements. In addition, Stone Arts offers a wide range of FRP/GRC products, including designer pots, fountains, garden furniture, and decorative landscape items crafted to enhance the aesthetic appeal of your interior and exterior spaces.

A fountain with planters adds a harmonious blend of movement, sound, and greenery to both interior and exterior spaces, enhancing the ambiance with a sense of tranquility and natural beauty. The flowing water introduces a soothing auditory element, while the surrounding plants bring life, texture, and color, creating a focal point that elevates the aesthetic appeal and promotes relaxation. This combination also fosters a connection to nature, making the environment more inviting and balanced.

A large, semi-transparent version of the 'stone arts' logo is centered on the page. It consists of the words 'stone arts' in orange and white, with decorative scrollwork and street lamp icons on either side. The background of the entire page is a photograph of a stone wall with a green plant in the foreground.

No two pieces of Natural Stone are identical and vary in Color, Markings and Texture. Accessories shown for illustration purpose only and they are not part of final product. Product Specifications are subject to change. Availability of prices in this brochure is limited and at the time of purchase, prices may differ. All prices are subject to change without prior notice due to currency fluctuation and other economic factors. The clients are requested to confirm the prices before going ahead with the purchase.
